## FIFTY POLITICAL POINTS.

A Valued Correspondent's Views of the Duck Hunting Administration.

Doubtless the Virginia ducks will be glad to learn that their illustrious enemy has been succeeded at the White House.

Mr. Cleveland doubtless had some savory menses on his frequent duck hunt, but the mess he made for his party beat them all.

Mr. Cleveland may not go down in history as a great statesman, but he may yet go down into Virginia on a duck hunt.

Duck hunting might have become the National sport had not the Democratic party gone to pieces at the game.

Mr. Cleveland might have become a great statesman had he not had such boundless ambition as a duck hunter.

So that Mr. Cleveland himself had duck pie he didn't care that the hopes of his party were knocked into pie.

Mr. Cleveland might have utilized his duck feathers in making a comfortable bed for the Democratic party to take its long rest upon.

As Nero could fiddle his best while Rome was burning at his feet, so Mr. Cleveland was at his best at burning ducks while his party was floundering among breakers.

Soma years ago there lived in an adjoining county an old gentleman who came from Virginia at an early day, and who was as good and honest a man as ever lived in the state. He could give Mr. Cleveland three in the same and beat him at hunting, his only artifice being small stones, with which he could knock squirrels out of the highest trees as fast as he could find them. He was known to have killed deer in Virginia, too, with the same weapons.

## More Talk

## About Time.

Some people are peculiar in the matter of buying a Watch. A silver Watch is good enough for one man so long as it keeps good time. Another one wants something a little more showy---a gold one,---but it, too, must keep good time. Some want a high-priced Watch, others a cheaper one, but after all everybody wants a correct timepiece. We selected our stock with time in view, and can sell you a high, low or medium-priced Watch---and any of them will keep time---the essential point.

We repair Watches so that we guarantee them to keep time. Charges low.

**HOW TO FIND OUT.**

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stands clear it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing evidence that the kidneys and bladder are out of order.

**WHAT TO DO.**

There is comfort in the knowledge as often expressed, that Dr. Kimer's Swamp Root, the great kidney remedy, fulfills every law in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention THE PUBLIC LEDGER and send four full Postal Notes addressed to Dr. Kimer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

T. L. Green, County Clerk, Mt. Oliver, Ky., buys old United States and Foreign Postage and Revenue Stamps, and pays liberal prices for same. If you have any old Stamps, dating from 1880 to 1878, send them to him and get prices.
